Liberty Adult Education has a variety of academic programs to meet the needs of our students. We take pride in placing students in the best program to achieve their learning needs for success. All students interested in these programs will attend an orientation that will include registration assistance, placement assessments, and an overview of program expectations. Each program has a set of eligibility requirements that will need to be met to enroll.

Do not worry, we are here to help you be successful. We will do this together!

**NO Appointment
Needed!**
